Maybe even better than free.

Using file, you can circumvent those limits without paying to upgrade your team chat service. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Keep your files private, or send your download links only to friends or family. So try our free and simple filehosting service now. Simply upload your file and share the link. Any file in any format can be uploaded and downloaded for free. Files transferred the old-fashioned way tendto pile up and be forgotten about, eventually costing you money in data storage fees. Unfortunately, we can't make that part free. We have no file size limit.Files can be downloaded from any computer from our high speed servers. filehosting provides an easy possibility for you to send large files to your friends.This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Our service is completely free for everyone. The cost of that datatransfer is covered by your internet service or the data plan on your phone. Just upload the file you want to share with your friends and we send you a downloadlink to your file. If only we could, we surely would! On the other hand, using file can actually save you money. There are no restrictions on the number of timesa file can be downloaded. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to thesize of files that can be transferred within their apps. File is free to use with no gotchas and no hidden fees. You decide who you want to share your files with.Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone andour servers, then from our servers to your friends device. You can give this download link to your friends by mail or instant messenger. You can upload anytype of file (movies, music, documents, images, zip files and more). Alternatively you can choose to share your download links on blogs, forums and socialnetworking sites. It is also allowed to link to the download page from websites and communities. No account or credit card is required to get started. You don'tneed any special software installed to be able to download your files.
