Maybe even better than free.

We have no file size limit. Unfortunately, we can't make that part free. It is also allowed to link to the download page from websites and communities. Our service is completely free for everyone. You can upload any type of file (movies, music, documents, images, zip files and more). If only we could, we surely would! On the other hand, using file can actually save you money. You can give this download link to your friends by mail or instant messenger. File is free to use with no gotchas and no hidden fees. There are no restrictions on the number of times a file can be downloaded. Simply upload your file and share the link. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone andour servers, then from our servers to your friends device. Files can be downloaded from any computer from our high speed servers. Alternatively you canchoose to share your download links on blogs, forums and social networking sites. Any file in any format can be uploaded and downloaded for free. You don'tneed any special software installed to be able to download your files. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts.Keep your files private, or send your download links only to friends or family. So try our free and simple filehosting service now. When you use file, you avoidstoring the file you're sending in your cloud storage or mail server. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventuallycosting you money in data storage fees. The cost of that data transfer is covered by your internet service or the data plan on your phone. Why pay storage feesfor a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within theirapps. filehosting provides an easy possibility for you to send large files to your friends. You decide who you want to share your files with. Using file, you cancircumvent those limits without paying to upgrade your team chat service. Just upload the file you want to share with your friends and we send you a downloadlink to your file. No account or credit card is required to get started.
