Maybe even better than free.

There are no restrictions on the number of times a file can be downloaded. Using file, you can circumvent those limits without paying to upgrade your teamchat service. File is free to use with no gotchas and no hidden fees. If only we could, we surely would! On the other hand, using file can actually save youmoney. Unfortunately, we can't make that part free. You can upload any type of file (movies, music, documents, images, zip files and more). When you usefile, you avoid storing the file you're sending in your cloud storage or mail server. Files transferred the old-fashioned way tend to pile up and be forgottenabout, eventually costing you money in data storage fees. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. You cangive this download link to your friends by mail or instant messenger. No account or credit card is required to get started. Any file in any format can be uploadedand downloaded for free. Our service is completely free for everyone. Files can be downloaded from any computer from our high speed servers. It is alsoallowed to link to the download page from websites and communities. Why pay storage fees for a file that you just wanted to send to a friend or colleague?Also, many team chat apps have limits to the size of files that can be transferred within their apps. Just upload the file you want to share with your friends andwe send you a download link to your file. You decide who you want to share your files with. filehosting provides an easy possibility for you to send large filesto your friends. The cost of that data transfer is covered by your internet service or the data plan on your phone. We have no file size limit. Keep your filesprivate, or send your download links only to friends or family. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file,data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Simply upload your file and share thelink. Alternatively you can choose to share your download links on blogs, forums and social networking sites. You don't need any special software installed tobe able to download your files. So try our free and simple filehosting service now.
