Maybe even better than free.

The cost of that data transfer is covered by your internet service or the data plan on your phone. Unfortunately, we can't make that part free. Files transferredthe old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. filehosting provides an easy possibility for youto send large files to your friends. There are no restrictions on the number of times a file can be downloaded. We have no file size limit. You decide who youwant to share your files with. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred betweenyour computer or phone and our servers, then from our servers to your friends device. If only we could, we surely would! On the other hand, using file canactually save you money. You can give this download link to your friends by mail or instant messenger. Why pay storage fees for a file that you just wanted tosend to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. No account or credit card isrequired to get started. You can upload any type of file (movies, music, documents, images, zip files and more). Using file, you can circumvent those limitswithout paying to upgrade your team chat service. Keep your files private, or send your download links only to friends or family. Files can be downloaded fromany computer from our high speed servers. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Just uploadthe file you want to share with your friends and we send you a download link to your file. When you use file, you avoid storing the file you're sending in yourcloud storage or mail server. You don't need any special software installed to be able to download your files. Any file in any format can be uploaded anddownloaded for free. It is also allowed to link to the download page from websites and communities. So try our free and simple filehosting service now. File isfree to use with no gotchas and no hidden fees. Simply upload your file and share the link. Our service is completely free for everyone. This is easy, fast andreliable filehosting! You don't need any kind of premium-accounts.
