Maybe even better than free.

There are no restrictions on the number of times a file can be downloaded. Any file in any format can be uploaded and downloaded for free. If only we could, we surely would! On the other hand, using file can actually save you money. You can give this download link to your friends by mail or instant messenger. File is free to use with no gotchas and no hidden fees. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. filehosting provides an easy possibility for you to send large files to your friends. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. The cost of that data transfer is covered by your internet service or the data plan on your phone. Unfortunately, we can't make that part free. No account or credit card is required to get started. Simply upload your file and share the link. Using file, you can circumvent those limits without paying to upgrade your team chat service. You don't need any special software installed to be able to download your files. It is also allowed to link to the download page from websites and communities. You decide who you want to share your files with. Wehave no file size limit. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between yourcomputer or phone and our servers, then from our servers to your friends device. You can upload any type of file (movies, music, documents, images, zip filesand more). Files can be downloaded from any computer from our high speed servers. Just upload the file you want to share with your friends and we send you adownload link to your file. Keep your files private, or send your download links only to friends or family. Files transferred the old-fashioned way tend to pile upand be forgotten about, eventually costing you money in data storage fees. So try our free and simple filehosting service now. Alte
